

**SATELLITE EXAM SITES**

Temp. 05-1 (Rev. 8/05)

**Satellite Examination Sites for Salespersons & Brokers**

Salesperson *and* broker examinations can be scheduled in several *new* satellite sites. The sites include Anaheim, Glendale, Redding, Colton (San Bernardino), San Jose (Santa Clara) and Santa Maria. In addition, new additional locations are being utilized surrounding DRE's existing main exam sites in the Sacramento, Oakland, Fresno and San Diego areas.

**Scheduling Options**➤ **Online using eLicensing**

- *Salespersons* — You may apply for, reschedule or apply to re-take your examination using the eLicensing online system at **www.dre.ca.gov**.
  - *Brokers* — You may reschedule or apply to re-take your examination using the eLicensing online system at **www.dre.ca.gov**.
  - You will be able to view the availability of openings at each location. **This method allows the best chance to get scheduled in a satellite location.** *If you use eLicensing, do not submit this form to the DRE.*
- **Mail or fax** — If you do not use eLicensing and wish to apply for, reschedule or apply to re-take an examination at a satellite exam site, return this form, fee and application either by mail **or** by fax as follows:
- Mail to: Department of Real Estate  
P.O. Box 187001  
Sacramento, CA 95818-7001
  - Fax to: 916-227-0925

- **Telephone** — As an alternative to using eLicensing to reschedule or apply to re-take your examination, you may call (916) 227-0931.

**Scheduling Fee**

A fee is required to apply for, reschedule, or apply to re-take an examination. Please refer to RE 206 (Exam & Licensing Fees) or your examination schedule or result notice to determine the applicable amount.

**Scheduling Choices**

Space is limited at the satellite exam sites and is subject to availability. Earliest available exam dates may not be offered at satellite exam sites.

If no examinations are available at the satellite exam site you select, you may be scheduled at a main exam site. You are encouraged to indicate your preferences below. Your best chance to get scheduled in a satellite location is to use the eLicensing online system.

Broker examinees are encouraged to select an optional second choice, as broker exams may not be offered at all satellite exam sites on a regular basis.
